Buccaneer Update January 14, 2022

Virtual Traveling Talks with Dr. Parker

Superintendent Dr. Jack Parker has scheduled **Virtual “Traveling Talks” to keep the community connected with the school.** These Virtual “Traveling Talks” are an opportunity for community members to communicate directly with Dr. Parker and share their hopes, questions, and/or concerns about Mt. Vernon schools. This casual dialogue is designed to connect the community with school leadership.

The next traveling talk is scheduled for Feb. 9th from 6-7pm. [Click Here](#) for more information and to sign up.

MV Reads: News from the Library

Help us celebrate World Read Aloud Day on February 2, 2022! [LitWorld](#) founded the campaign in 2010 to advocate for access to literacy and diverse stories, as well as the power of reading aloud -- an activity that has an immensely powerful impact on children's development. Additionally, the day is widely celebrated across social media, with the hashtag #worldreadaloud day trending annually. Check social media and help build the movement of World Read Aloud Day by sharing your participation, ideas and pictures from the day! One of our libraries favorite read aloud websites is [Storyline Online](#).

Reporting Absences

Please assist us by being sure to call our office at 317-894-7667 or email dianna.mccarty@mvcsc.k12.in.us if your student is going to be absent. With state reporting, we have to assign specific codes for every absence, and it saves our office staff a lot of time each day if we don't have to call to follow-up on students that are marked absent by their teachers. Thank you for your help!

TBRI® Caregiver Training

Presented by Amy Tucker, TBRI® Practitioner

MVCSC Alumni Room | 1806 W. State Road 234 Fortville, IN

Trust-Based Relational Intervention (TBRI®) is an attachment-based, trauma-informed intervention that is designed to meet the complex needs of vulnerable children. The TBRI® Empowering Principles include Physiological and Ecological Strategies to meet physical needs. Participants will learn to empower children by addressing nutrition, hydration, and sensory needs and also assess and alter a child's environment to promote felt-safety and learning. The TBRI® Connecting Principles include Engagement and Mindfulness Strategies to meet attachment needs. Participants will learn to create connections that disarm fear, gain trust, and enhance learning, all while developing the attachment relationship between caregiver and child. The TBRI® Correcting Principles include Proactive and Responsive Strategies to shape beliefs and behaviors by disarming fear. Participants will learn how to teach positive behaviors proactively and respond to fear-based behaviors while maintaining connection.
