## MVEF Gala

Why is **“home”** so important to us? Perhaps, because for better or worse, by presence or absence, it is a crucial point of reference—in memory, feeling, and imagination—for inventing the story of ourselves, our life-narrative, for understanding our place in time. No matter what place you call home, the very word strikes a chord deep inside each of us. **“Home”** to some means sanctuary, the place we can rest, relax, enjoy time with friends, and family, learn, grow ... and just be. Our **“home”** says a lot about who we are and what we think is important.

Since our inception 15 years ago, The Mt. Vernon Community School District has served as the **“heart”** of our Mt. Vernon Education Foundation, **“home”** it has been the constant thread that weaves the fabric of our community together from casual conversation, cheering on players who represent us in sports, (Go Marauders!) to all of our amazing educators, the teachable moments and learning experiences along the way in creating a place where the foundation could invest thanks to the generosity of our donors in the *hopes, dreams, needs, and wishes of our students, staff, and community* as we build brighter futures together.

As we gather to celebrate the foundation's 15th Anniversary on Saturday, April 23, 2022, we hope you will join us in supporting our **“home”** through attending the Black and Gold Gala, sponsorship, donating to the silent auction, or granting a wish to one of our amazing teachers for their classrooms!

We hope you will join us at this year's Black and Gold Gala on Saturday, April 23, 2022, at the JW Marriott Indianapolis. To purchase tickets go to [www.MtVernonFoundation.org](http://www.MtVernonFoundation.org)
